Skosh Monahan's To Raise Funds for Autism!

Popular Newport Blvd. Restaurant to Host Wine Dinner & Raise Funds for TACA.

Skosh Monahan's Steakhouse & Irish Pub will partner with One Hope Wines for a 4 course (5 Varietals) Wine dinner on Thursday January 28th. 15 % of the restaurant's sales for the entire evening will be donated to Talk About Curing Autism (TACA). The wine dinner is requiring reservations, but the fundraising goes on all night for all comers!

Autism now affects one(1) in every 91 children according to the CDC with 1 in every 58 boys being affected. Talk About Curing Autism (TACA) provides information, resources, and support to families affected by autism. For families who have just received the autism diagnosis, TACA aims to speed up the cycle time from the autism diagnosis to effective treatments.

One Hope Wines donates 50% of their profits to charities, including: Autism, Breast Cancer, Aids, Save our Planet & Our Troops. The idea is simple: One Hope, a for-profit company based in Irvine, Calif., tries to sell as much quality wine as possible, and 50 percent of its profits go to charity.

The dinner will include all 5 varietals of the One Hope portfolio, matched with a 4-course meal prepared by Skosh's Monahan's Executive Chef: Martin Morales.

Entertainment will be provided by local Singer & Guitarist Dave Stewart.
