

The Westin South Coast Plaza ready to show off restyled rooms

COSTA MESA, Calif. (June 29, 2015) - Costa Mesa, located in Southern California, continues to provide guests the utmost in comfort and convenience with the reopening of 394 restyled guestrooms, including 17 suites at The Westin South Coast Plaza.

“Our guestrooms have been fully refreshed and are ready for guests to enjoy,” said Mike Hall, general manager of The Westin South Coast Plaza. “Our mission is to focus on the well-being of our guests. Everything about their stay will leave them feeling better than when they arrived, from the comfortable beds to our SuperFoodsRx™ menu.”

A fresh and sophisticated palette of grays and blues was outfitted in the rooms, providing a calming feel. And crown moldings were elegantly added to the interior, creating graceful finishing touches. Each room was also updated with world-renowned new Westin Heavenly® Beds featuring custom pillow-top mattresses and soothing linens, helping to provide for a deep and restorative sleep. All hard and soft goods were replaced, and the bathrooms, which featured the Westin Heavenly® Shower, underwent a complete renovation, resulting in large walk-in showers for a majority of rooms and a spa-like experience for guests.

A retreat for leisure and business travelers alike, these updates follow last year’s addition of the property’s revolutionary concept, Tangent™, a Westin functional workspace that utilizes smart technology and intuitive design, connecting business travelers with colleagues either across the table or around the globe.

“The Westin South Coast Plaza has always been an important part of Costa Mesa’s arts and entertainment district,” said Paulette Lombardi-Fries, president of the Costa Mesa Conference and Visitor Bureau. “Located just steps away from world-class shopping, dining and entertainment, this renovation represents continued efforts to accommodate the highest standards of quality, comfort and convenience for guests experiencing the *City of the Arts*™.”

A lavish location for weddings and gala receptions, the Westin’s iconic Waterfall Terrace, which features a backdrop of cascading water from the Neptune Water Spouts, was also redesigned to accommodate up to 175 people for special events and up to 120 for a unique outdoor dining experience.

The Westin South Coast Plaza features 35,000 square feet of indoor and outdoor meeting space that can accommodate up to 600 guests. The unique Terrace Level offers a beautiful outdoor space ideal for wedding and gala events, as well as an outdoor gazebo specifically designed for wedding ceremonies and themed events.

The Westin South Coast Plaza is adjacent to South Coast Plaza, an internationally acclaimed shopping destination, with more than 250 stores and restaurants. South Coast Plaza has one of the largest collections of luxury boutiques among shopping destinations in the world. Additionally, guests are provided round-trip shuttle transportation from John Wayne Airport, Orange County and the *Disneyland*® Resort. Outdoor tennis courts, a heated pool, a fitness studio and a business center complete the property's offers.
